Dear Member,

You would understand that it is in The Club's best interest to have your details up to date and correct.

We would therefore appreciate you completing the pro-forma below and returning it to the Membership Officer.

Probus South Pacific Limited (PSPL) maintains a Data Base of all Probus members in the region. PSPL requires a listing of members' names for insurance purposes but seeks the ability to directly contact members who may be willing to participate in surveys or focus groups.

Future developments could include membership cards and benefits/discounts.

Would you please indicate in the boxes below the personal details to be included in the Club Membership Directory (issued to all Club members) and those you authorise PSPL to include in their Member Data Base. If you do not want particular details issued please leave the relevant box **BLANK**.

Thanking you in anticipation,  
Membership Officer
